Youth outreach to visually handicapped

On Saturday 25th of May Ben Walls organized a fun outreach between HIF's youth group and ACCV. The day began with Ben and some of his friends arriving early to set up, ordered pizza from Pizza Box and at 12:00pm ACCV students began to arrive. We ate, talked and got to know each other a bit better over lunch before beginning to play some games. Connect four, dominoes and cards were the games of the day. Once again it was a very valuable experience for the HIF members to see how well the ACCV students could communicate in English and play the games. Another small step in understanding each other better.

Some of the students then decided to go into the auditorium to play musical instruments. Hong was learning some tunes on the keyboard with Josiah while Ben was giving guitar lessons. Huong from the 'Lift You Up' also came to show her chess skills but unfortunately we had no board. She generously gave CDs of her group singing for the Australian ambassador to those in attendance. All in all it was a wonderful time of building relationships and friendships. HIF Youth are working on creating a table tennis game for blind people to play for our next meeting.

Young adults visit to HIV/AIDS orphanage

As one of the HIF City Partnership projects a group of young adults and church members visited the HIV Centre for children in Ba Vi last Saturday 25 May. We shared God's love in songs, gifts of backpacks and notebooks for the Children's Day. The Centre has about 80 orphans and abandoned children ranging from babies to teenagers. Pray that in the Lord they have a hope and a future. *..Gracia*

Prayer

Join us for pre-service prayer in the breakout room 45 minutes before the start of service.

We would like to pray for you and your concerns. Please do not hesitate to ask someone to pray with you at the front of the auditorium after the worship service. You can also get prayer request cards at the information table and fill out the prayer cards to make your request known. You can drop them in the offering bag or you can email prayer@hif.vn.

Announcements

Calling for 5 native English or non-native but excellent English speakers (at least age 18) to volunteer for an English Conversational and Activities Camp at Cuc Phuong with Vietnamese university students. There is already a group of 8 English speakers who will lead in the organising of the activities during the camp.

Contact Wei at email weitamin@gmail.com for more details if you are interested.
